STAND THE TEST OF TIME

Experience an improvement
in the appearance of fine lines
in just 90 days*

SEYTU.COM

At 4 weeks,

users noticed a more even
skin appearance

At 6 weeks,

users perceived that their
skin was more hydrated

At 8 weeks,

users felt smoother skin
and a decrease in the
appearance of blemishes
and fine lines

After 10 weeks

users noticed a more
luminous skin

*Panel conducted on 70 people using the complete
SYSTEM Time-Specialist line, under the official 90-day
usage recommendations.
